Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas included in and out of plan. Map depicts an approximation of outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than an approximation of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber. Future coverage, if depicted above, is based on current planning assumptions but is subject to change and may not be relied upon.

Plan Terms

Terms Applicable to Cingular FamilyTalk GSM Plans: Credit approval required. Subscriber must live and have a mailing address within Cingular's owned network coverage area. An early termination fee of \$175 applies if service is terminated before the end of the contract term. If phone is returned within 3 days, activation fee will be refunded. If phone is returned within 30 days in like-new condition with all components, early termination fee will be waived. All other charges apply. Some dealers impose additional fees. **Minute Increment Billing and Usage:** Airtime and other measured usage are billed in full-minute increments, and actual airtime and usage are rounded up to the next full increment at the end of each call for billing purposes. Cingular charges a full-minute increment of usage for every fraction of the last minute used on each wireless call. Minutes will be depleted according to usage in the following order: Night and Weekend Minutes, Mobile to Mobile Minutes, Anytime Minutes and Rollover Minutes. Calls placed on networks served by other carriers may take longer to be processed, and billing for these calls may be delayed. Those minutes will be applied against your Anytime monthly minutes in the month in which the calls appear on your bill. Unanswered outgoing calls of 30 seconds or longer incur airtime. **Pricing/Taxes/No Proration:** Final month's charges are not prorated. Prices are subject to change. Prices do not include taxes. **Activation Fees:** \$36 activation fee for each new line, \$26 activation fee applies on each additional FamilyTalk line. **Nights and Weekends:** Nights are 9:00 p.m. to 6:00 a.m. Weekends are 9:00 p.m. Friday to 6:00 a.m. Monday (based on time of day at switch providing your service). Included long distance calls can be made from the 50 United States, Puerto Rico and U.S. Virgin Islands to the 50 United States, Puerto Rico, U.S. Virgin Islands, Guam and Northern Mariana Islands. Roaming charges do not apply when roaming within the service area of land-based networks of the 50 United States, Puerto Rico and U.S. Virgin Islands. International long distance rates vary. Additional charges apply to services used outside the land borders of the U.S., Puerto Rico and U.S. Virgin Islands. **Unlimited Voice Services:** Unlimited voice services are provided solely for live dialog between two individuals. Unlimited voice services may not be used for conference calling, call forwarding, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, or other connections that do not consist of uninterrupted live dialog between two individuals. If Cingular finds that you are using an unlimited voice service offering for other than live dialog between two individuals, Cingular may at its option terminate your service or change your plan to one with no unlimited usage components. Cingular will provide notice that it intends to take any of the above actions, and you may terminate the agreement. **Offnet Usage:** If your minutes of use (including unlimited services) on other carrier networks ("offnet usage") during any two consecutive months exceeds your offnet usage allowance, Cingular may at its option terminate your service, deny your continued use of other carriers' coverage, or change your plan to one imposing usage charges for offnet usage. Your offnet usage allowance is equal to the lesser of 750 minutes or 40% of the Anytime Minutes included with your plan. Cingular will provide notice that it intends to take any of the above actions, and you may terminate the agreement. **Caller ID Blocking:** Your billing name may be displayed along with your wireless number on outbound calls to other wireless and landline phones with Caller ID capability. Contact customer service for information on blocking the display of your name and number. You may be charged for both an incoming and an outgoing call when incoming calls are routed to voicemail, even if no message is left. See Wireless Service Agreement for additional conditions and restrictions. **Rollover Minutes:** Rollover Minutes accumulate and expire through 12 rolling bill periods. **Bill Period 1** (activation) unused Anytime Minutes will not carry over. **Bill Period 2** unused Anytime Minutes will begin to carry over. Rollover Minutes accumulated starting with Bill Period 2 will expire each bill period as they reach a 12 bill period age. Rollover Minutes will also expire immediately upon default or if customer changes to a non-Rollover plan. If you change plans (including the formation of a FamilyTalk plan), or if an existing subscriber joins your existing FamilyTalk plan, any accumulated Rollover Minutes in excess of your new plan or the primary FamilyTalk line's included Anytime Minutes will expire. Rollover Minutes are not redeemable for cash or credit and are not transferable. **FamilyTalk:** FamilyTalk may require up to a two-year service agreement for each line. FamilyTalk plans include only package minutes included with the primary number, and minutes are shared by the additional lines. The rate shown for additional minutes applies to all minutes in excess of the Anytime Minutes. FamilyTalk requires two lines. If the rate plan for the primary number is changed to an ineligible plan or the primary number is disconnected, one of the existing additional lines shall become the primary number on the rate plan previously subscribed to by the former primary number; if only one line remains it shall be converted to the closest single line rate. **Mobile to Mobile Minutes:** Mobile to Mobile Minutes may be used, subject to the above provisions governing unlimited usage, when directly dialing or receiving calls from any other Cingular phone number from within your calling area. Mobile to Mobile Minutes may not be used for interconnection to other networks. Calls to Cingular Voicemail not included.

Terms Applicable to Features: Certain features will not be available in all areas at all times. See Roadside Assistance welcome letter and/or brochures for full terms and conditions. **VoiceDial:** Regular airtime charges apply. Mobile to Mobile Minutes do not apply. Calls to 911, 411, 611, 711 and International dialing cannot be completed with VoiceDial Services. Caller ID cannot be blocked. Caller ID will be delivered on calls, even if you have permanently blocked your name and number. **Tone Club:** Every 30 days your subscription will be automatically renewed and new credits added to your account which can be used to buy ringtones and graphics through the MEdia Mail. Music, Voice, Sound Effect Tones, polyphonic ringtones and graphics are 1 credit. Unused credits expire at the end of each 30-day period. The 30-day period is not necessarily equivalent to a calendar month end or the billing cycle. You may terminate your subscription at any time. Any remaining credits will be available for the remainder of your subscription billing cycle. Your enrollment gives you the option to receive text messages each week on music trivia, news and more. **Connecticut Customers:** Questions About Your Service: If you have any questions or concerns about your service, please call Customer Care at 1-800-331-0500 or dial 611 from your wireless phone. If you are a Connecticut customer and we cannot resolve your issue, you have the option of contacting the Department of Public Utility Control (DPUC). Online: www.state.ct.us/dpuc; Phone: 866-381-2355; Mail: Connecticut DPUC, 10 Franklin Square, New Britain, CT 06051. HBO Mobile™ and HBO Mobile Family™ are service marks of Home Box Office, Inc. Your phone's display does not indicate the rate you will be charged. Please review your coverage map for areas included in and out of plan. Map depicts an approximation of outdoor coverage. Map may include areas served by unaffiliated carriers and may depict their licensed area rather than an approximation of the coverage there. Actual coverage area may differ substantially from map graphics, and coverage may be affected by such things as terrain, weather, foliage, buildings and other construction, signal strength, customer equipment and other factors. Cingular does not guarantee coverage. Charges will be based on the location of the site receiving and transmitting the call, not the location of the subscriber. Future coverage, if depicted above, is based on current planning assumptions but is subject to change and may not be relied upon.

Plan Terms

Terms Applicable to Cingular FamilyTalk GSM Plans: Credit approval required. Subscriber must live and have a mailing address within Cingular's owned network coverage area. An early termination fee of \$175 applies if service is terminated before the end of the contract term. If phone is returned within 3 days, activation fee will be refunded. If phone is returned within 30 days in like-new condition with all components, early termination fee will be waived. All other charges apply. Some dealers impose additional fees. Minute Increment Billing and Usage: Airtime and other measured usage are billed in full-minute increments, and actual airtime and usage are rounded up to the next full increment at the end of each call for billing purposes. Cingular charges a full-minute increment of usage for every fraction of the last minute used on each wireless call. Minutes will be depleted according to usage in the following order: Night and Weekend Minutes, Mobile to Mobile Minutes, Anytime Minutes and Rollover Minutes. Calls placed on networks served by other carriers may take longer to be processed, and billing for these calls may be delayed. Those minutes will be applied against your Anytime monthly minutes in the month in which the calls appear on your bill. Unanswered outgoing calls of 30 seconds or longer incur airtime. **Pricing/Taxes/No Proration:** Final month's charges are not prorated. Prices are subject to change. Prices do not include taxes. **Activation Fees:** \$36 activation fee for each new line, \$26 activation fee applies on each additional FamilyTalk line. **Nights and Weekends:** Nights are 9:00 p.m. to 6:00 a.m. Weekends are 9:00 p.m. Friday to 6:00 a.m. Monday (based on time of day at switch providing your service). Included long distance calls can be made from the 50 United States, Puerto Rico and U.S. Virgin Islands to the 50 United States, Puerto Rico, U.S. Virgin Islands, Guam and Northern Mariana Islands. Roaming charges do not apply when roaming within the service area of land-based networks of the 50 United States, Puerto Rico and U.S. Virgin Islands. International long distance rates vary. Additional charges apply to services used outside the land borders of the U.S., Puerto Rico and U.S. Virgin Islands. **Unlimited Voice Services:** Unlimited voice services are provided solely for live dialog between two individuals. Unlimited voice services may not be used for conference calling, call forwarding, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, or other connections that do not consist of uninterrupted live dialog between two individuals. If Cingular finds that you are using an unlimited voice service offering for other than live dialog between two individuals, Cingular may at its option terminate your service or change your plan to one with no unlimited usage components. Cingular will provide notice that it intends to take any of the above actions, and you may terminate the agreement. **Offnet Usage:** If your minutes of use (including unlimited services) on other carrier networks ("offnet usage") during any two consecutive months exceeds your offnet usage allowance, Cingular may at its option terminate your service, deny your continued use of other carriers' coverage, or change your plan to one imposing usage charges for offnet usage. Your offnet usage allowance is equal to the lesser of 750 minutes or 40% of the Anytime Minutes included with your plan. Cingular will provide notice that it intends to take any of the above actions, and you may terminate the agreement. **Caller ID Blocking:** Your billing name may be displayed along with your wireless number on outbound calls to other wireless and landline phones with Caller ID capability. Contact customer service for information on blocking the display of your name and number. You may be charged for both an incoming and an outgoing call when incoming calls are routed to voicemail, even if no message is left. See Wireless Service Agreement for additional conditions and restrictions. **Rollover Minutes:** Rollover Minutes accumulate and expire through 12 rolling bill periods. Bill Period 1 (activation) unused Anytime Minutes will not carry over. Bill Period 2 unused Anytime Minutes will begin to carry over. Rollover Minutes accumulated starting with Bill Period 2 will expire each bill period as they reach a 12 bill period age. Rollover Minutes will also expire immediately upon default or if customer changes to a non-Rollover plan. If you change plans (including the formation of a FamilyTalk plan), or if an existing subscriber joins your existing FamilyTalk plan, any accumulated Rollover Minutes in excess of your new plan or the primary FamilyTalk line's included Anytime Minutes will expire. Rollover Minutes are not redeemable for cash or credit and are not transferable. **FamilyTalk:** FamilyTalk may require up to a two-year service agreement for each line. FamilyTalk plans include only package minutes included with the primary number, and minutes are shared by the additional lines. The rate shown for additional minutes applies to all minutes in excess of the Anytime Minutes. FamilyTalk requires two lines. If the rate plan for the primary number is changed to an ineligible plan or the primary number is disconnected, one of the existing additional lines shall become the primary number on the rate plan previously subscribed to by the former primary number; if only one line remains it shall be converted to the closest single line rate. **Mobile to Mobile Minutes:** Mobile to Mobile Minutes may be used, subject to the above provisions governing unlimited usage, when directly dialing or receiving calls from any other Cingular phone number from within your calling area. Mobile to Mobile Minutes may not be used for interconnection to other networks. Calls to Cingular Voicemail not included.

Terms Applicable to Features: Certain features will not be available in all areas at all times. See Roadside Assistance welcome letter and/or brochures for full terms and conditions. **VoiceDial:** Regular airtime charges apply. Mobile to Mobile Minutes do not apply. Calls to 911, 411, 611, 711 and international dialing cannot be completed with VoiceDial Services. Caller ID cannot be blocked. Caller ID will be delivered on calls, even if you have permanently blocked your name and number. **Tone Club:** Every 30 days your subscription will be automatically renewed and new credits added to your account which can be used to buy ringtones and graphics through the Media Mall. Music, Voice, Sound Effect Tones, polyphonic ringtones and graphics are 1 credit. Unused credits expire at the end of each 30-day period. The 30-day period is not necessarily equivalent to a calendar month end or the billing cycle. You may terminate your subscription at any time. Any remaining credits will be available for the remainder of your subscription billing cycle. Your enrollment gives you the option to receive text messages each week on music trivia, news and more. **Connecticut Customers:** Questions About Your Service: If you have any questions or concerns about your service, please call Customer Care at 1-800-331-0500 or dial 611 from your wireless phone. STATE CORPORATION COMMISSION

AT RICHMOND, APRIL 9, 2002

COMMONWEALTH OF VIRGINIA, ex rel.

At the relation of the

STATE CORPORATION COMMISSION

CASE NO. PUC970135

Ex Parte, in re: Implementation
of Requirements of § 214(e) of the
Telecommunications Act of 1996

IN RE:

APPLICATION OF VIRGINIA CELLULAR LLC

CASE NO. PUC010263

For designation as an eligible
telecommunications provider under
47 U.S.C. § 214(e) (2)

ORDER

On September 15, 1997, the State Corporation Commission ("Commission") established the docket in Case No. PUC970135 to consider the requests of local exchange carriers ("LECs") to be designated as eligible telecommunications carriers ("ETC designation") to receive universal service support pursuant to § 214(e) of the Telecommunications Act of 1996, 47 U.S.C. § 251 et seq., ("Act") and associated Federal Regulations.¹ The Commission's exercise of its jurisdiction under § 214(e) (2) of the Act has been to establish a simple and streamlined process for telecommunications carriers to certify their eligibility with a minimum of regulatory burden placed upon each applicant.

¹ 47 C.F.R. § 54.201-207.

All Virginia carriers receiving an ETC designation have merely been required to file an affidavit which, among other matters, certifies that all requirements of the Act for designation are met.²

Until the above-captioned Application was filed in Case No. PUC010263 by Virginia Cellular LLC ("Virginia Cellular" or "Applicant") for ETC designation, these proceedings have been uncontested. This is the first application by a Commercial Mobile Radio Service ("CMRS") carrier for ETC designation.³ Pursuant to the Order Requesting Comments, Objections, or Requests for Hearing, issued by the Commission on January 24, 2002, the Virginia Telecommunications Industry Association ("VTIA") and NTELOS Telephone Inc. ("NTELOS") filed their respective comments and requests for hearing on February 20, 2002. Virginia Cellular filed Reply Comments on March 6, 2002.⁴

The comments of NTELOS and VTIA both contest the sufficiency of the Application and claim Virginia Cellular has

² See Order issued November 21, 1997, in Case No. PUC970135, pp. 2-4 ("November 21, 1997, Order"). Also, the annual certification procedure to comply with 47 C.F.R. §§ 54.313 and 314 has been reduced to filing a form affidavit approved by the Commission in a Preliminary Order, issued August 29, 2001, in Case No. PUC010172.

³ Virginia Cellular is a CMRS carrier as defined in 47 U.S.C. § 153(27) and is authorized as the "A-band" cellular carrier for the Virginia 6 Rural Service Area, serving the counties of Rockingham, Augusta, Nelson, and Highland and the cities of Harrisonburg, Staunton, and Waynesboro.

⁴ On March 4, 2002, Virginia Cellular filed a Consent Motion requesting until March 6, 2002, to file Reply Comments. There being no objection, we now grant the Consent Motion.

failed to demonstrate how the public interest will be served.⁵ NTELOS and VTIA each allude in their comments to other expected applications for ETC designation by wireless and CLEC carriers to follow this case of first impression. For that reason, we are asked by VTIA and NTELOS to convene a hearing and establish certain standards for the provisioning of the nine services specified in 47 C.F.R. § 54.101.⁶ Each applicant is required to provide these nine services to be eligible for ETC designation.

VTIA further comments that "[i]t is not clear how the designation of Virginia Cellular as an ETC will affect the distribution of Universal Funds to the existing carriers in any given rural exchange area." Virginia Cellular replies that this "macroeconomic concern" need not be addressed with this Application. Rather, the Federal Communications Commission ("FCC") and the Federal State Joint Board on Universal Service

⁵ § 214(e)(2) of the Act requires that an ETC designation in areas served by a rural telephone company be based upon a finding that the designation is in the public interest. The Commission did recognize in its November 21, 1997, Order that any carrier seeking ETC designation in a rural area would have the burden of proving that such designation is in the public interest if challenged. Virginia Cellular is seeking ETC designation in the service territories of the following rural telephone companies: Shenandoah Telephone Company ("Shenandoah"), Clifton Forge Waynesboro Telephone Company ("NTELOS"), New Hope Telephone Company, North River Cooperative, Highland Telephone Cooperative, and Mountain Grove-Williamsville Telephone Company ("MGW").

⁶ The nine services required to be offered include: voice grade access to the public switched network; local usage; dual tone multi-frequency signaling or its functional equivalent; single-party service or its functional equivalent; access to emergency services; access to operator services; access to interexchange service; access to directory assistance; and toll limitation for qualifying low-income consumers. Also, the services must be advertised in appropriate media sources. See In Re: Federal-State Joint Board of Universal Service, Report and Order, CC Docket No. 96-45, ¶ 145 (May 8, 1997) ("Universal Service Report & Order").

are reported by Virginia Cellular to be conducting ongoing proceedings to ensure the solvency of the high-cost support fund.⁷ Presumably, VTIA views any public interest served by Virginia Cellular's ETC designation to depend upon whether there would be a consequent diminution of universal service funds.

Virginia Cellular cites the authority of § 214(e)(6) of the Act for this Commission to send Applicant to the FCC for ETC designation if this Commission declines to act on its Application.⁸ In its Reply Comments, Virginia Cellular reports that the "FCC has been actively processing ETC applications on behalf of states which have declined to exercise jurisdiction [over CMRS carriers]. Its internal processing time has been six months, and it has met that timeline in almost all of its proceedings [and] . . . most, if not all of the issues raised by the commenters have been previously addressed by the FCC in its prior orders involving applications for ETC status."⁹

The Commission finds that § 214(e)(6) of the Act is applicable to Virginia Cellular's Application as this Commission has not asserted jurisdiction over CMRS carriers and that the

⁸ Pursuant to § 332(c)(3), 47 U.S.C. § 332(c)(3), state regulation of the entry of or the rates charged by any commercial mobile service or any private mobile service is preempted. The Commission has deregulated all Virginia radio common carriers and cellular mobile radio communications carriers. See Final Order issued October 23, 1995, Case No. PUC950062.

⁹ Reply Comments at p. 3.

Applicant should apply to the FCC for ETC designation.¹⁰ The Applicant points out that if Virginia Cellular is designated as an ETC carrier, then the Commission must redefine the service areas of NTELOS and Shenandoah, pursuant to 47 C.F.R.

§ 54.207(c).¹¹ The Applicant has indicated a willingness to propose a plan to redefine these companies' service areas and may submit such a plan with its application to the FCC for ETC designation.

If necessary, this Commission will participate with the FCC and Federal-State Joint Board in redefining the service areas of NTELOS and Shenandoah for "the purpose of determining universal service obligations and support mechanisms." (47 C.F.R.

§ 54.207(a))¹² Although the FCC will make the final determination on Virginia Cellular's requests, we need to leave this docket open in case there is additional action we must take with respect to defining the service areas of NTELOS and Shenandoah.¹³

¹⁰ The action is similar to that taken by the Commission in Case No. PUC010172 in its August 29, 2001, Order that required cooperatives to certify directly with the FCC.

¹¹ The Commission believes that the service area of MGW does not necessarily need to be redefined if Virginia Cellular is designated as an ETC in that territory. However, if the FCC determines otherwise, the Commission will consider additional action if necessary.

¹² Pursuant to 47 C.F.R. § 54.207(c), if the Applicant proposes to redefine these two companies' service areas, the FCC's procedures require the Commission's agreement on the definitions.

¹³ At this juncture, it is unclear whether the Commission will need to address the redefinitions once disaggregation plans are filed at the FCC pursuant to 47 C.F.R. § 54.315(a).

NOW UPON CONSIDERATION of all the pleadings of record and the applicable law, the Commission is of the opinion that Virginia Cellular should request the FCC to grant the requested ETC designation, pursuant to 47 U.S.C. § 214(e)(6).

Accordingly, IT IS ORDERED THAT Case No. PUC010263 will remain open for further order of the Commission.

AN ATTESTED COPY hereof shall be sent by the Clerk of the Commission to: all LECs certified in the Commonwealth of Virginia, as set out in Appendix A of this Order; David A.
